

Fra Presidenten Jon Tehven

Fall has arrived in the Mid-West with cooler weather and beautiful colors. Soon the farmers will be harvesting the corn and beans, and it looks like a bumper crop!

This may be the last *Posten* of the year, so let me wish you a Happy Thanksgiving and a Blessed Christmas and New Year.

Membership: By the time you read this, many of our District 1 Lodges will have attended the Membership Challenge Workshops. A special thanks to our facilitators and host Lodges. The purpose of the MCW is to provide Lodges with information and materials to make recruiting and retention year-round activities.

As of August 31, we were down 112 adult and juvenile members. We have 33 Lodges that have the same or plus membership this year; however, we have 26 Lodges that are down between 1 and 4 members. These Lodges should make every effort to finish on the plus side of their membership. The August 31 report is attached. How is your Lodge doing?

It's not too late to have a Membership Event. The District 1 Membership Assistance Program rewards Lodges that have a Membership Event with \$15.00 per new recruit from the date of the event and 15 days thereafter, up to \$225.00. An application form is in the back of your District 1 Lodge Directory or online at www.sofn-1.com under forms. Send or email your application to the District President.

And, your Lodge can receive up to \$400.00 from the Sons of Norway Marketing Department for a membership dinner event. Contact your Zone Director or Len Carlson, Director of Marketing at SON Headquarters at 1-800-945-8851 for more information.

Best of all, you can combine the District 1 Membership Assistance Program and the Marketing Department! It's not too late!

Welcoming: As members of the Sons of Norway, we are a community bonded by our heritage and culture. Yet, many of our members, and they are active and dedicated members, are not of Norwegian ancestry. Let us always remember to welcome all our members, regardless of their ethnic background.

2008 Planning: Even before your new officers are elected, your Lodge should begin planning for 2008: membership events, programs, cultural activities. A recent Sons of Norway survey indicated that the reason members remain members is because of good programs and cultural activities.

New Lodge Activity: A new Lodge will be instituted in Hutchinson, MN on October 27, and we will conduct a new Lodge informational meeting in Tulsa, OK on September 30. If you have friends or relatives in either of these cities, let them know about these new Lodges.

Have a great rest of 2007!

SONS OF
NORWAY

Fra International Direktor, Marge Grorud

As we say goodbye to summer fun and a more relaxed pace, we can look to fall as a good time to renew energies of ongoing projects. Intl President, Ted Fosberg has asked us to redouble our efforts especially during the months of Sept. and Oct. to achieve our Net Membership Growth Goal.

The # 1 goal for Sons of Norway (Intl) is: Achieve net membership growth in the "Local Lodge Members Adult and Juvenile" category between July 31, 2006 and December 31, 2007. The # 1 goal for District 1 is: Membership recruitment and retention to accomplish a 5% net increase in membership each year.

Considering Pres. Fosberg's challenge let's give our incentive trip, "the Norwegian Experience" an extra big push. The opportunity is available now until

December 21, 2007. It truly is a trip of a lifetime. The details have been featured in the Viking and Viking Resource or you can find the information at www.sonsofnorway.com.

Other ongoing incentives such as the New Member Seminar Dinner from the Sales and Marketing Department and District 1's Membership Assistance Programs are also available. Ideas on what to do for a membership event are featured in the Sons of Norway Membership Recruitment & Retention Kit and Nichole Neuman, membershipgrowth@sofn.com has great ideas which she sends out monthly to Lodge Vice Presidents. Contact your Zone Director; they are as close as your phone if you need help with additional suggestions.

Good Retention is usually a result of good programs. The Barnas Norsk Klubb

material for September had excellent material on Norwegian (fylke) Coats of Arms. It was written for the youth of our Lodges but it contains the kind of material that could be worked into a good program for a Lodge Meeting.

I would like to share this quote with you from Lou Holtz.

Ability is what we are capable of doing.

Motivation determines what we do.

Attitude determines how well we do it!

Have a Good Fall,

Marge Grorud

Sons of Norway Foundation

October is Sons of Norway Foundation Month and it would be great if EVERY District 1 Lodge sent a gift. The Foundation continues to provide many benefits for our members, such as scholarships and grants. Recently, the Foundation provided funds through a Helping Hands grant to

- Nor-Win Lodge, Winona, MN member whose house was destroyed by recent flooding.
- Northwood, ND, member whose house was destroyed by a tornado.
- the Minneapolis Red Cross for their efforts immediately following the Interstate 35 bridge collapse.

This is in addition to other grants and scholarships provided Sons of Norway Lodges and members recently announced.

Please support the Sons of Norway Foundation with Lodge and individual gifts.

Fra Vise Presidenten—Joel Brude

In this issue of the Posten I am happy to report the successful completion of our first Membership Workshop that I facilitated on September 8 in Brainerd for the Brainerd and Isle Minnesota lodges. This is Phase 4 of our series of workshops to help our lodges become more knowledgeable and possess greater skills to be better leaders and better structured for success.

The signs of success have been showing up in the numbers of new members being recruited in District 1 this past year. Lodges who have an active membership committee are having great recruiting successes. It is the

structure that is so important here. Membership must be an ongoing year round activity.

That is why we have stressed the importance of having an active year round membership committee. Whether it is a formal membership event or distributing our professional marketing piece, Something for Everyone, each lodge must establish a membership committee and put the emphasis on membership. In particular, younger members which will continue to be so vital to the future of the Sons of Norway.

We that are members of the Sons of

Norway today must recognize that it is our responsibility to the future generations to leave a strong and vibrant organization. There is no other group like us that has done such a service to its past. Be sure to get your leaders to your Membership Workshop so we turn over the Sons of Norway to the next generation that will thrive for years to come.

Fra District Secretary—Karl Hella

The end of 2007 is approaching – too quickly for my taste. In odd-numbered years this is a special challenge for the District Secretary. Every year, Lodges need to elect officers by November (and report their officers, newly elected or not, to the home office by December 31). Lodge Secretaries, assisted by other officers, need to complete the Lodge of the Year report. And Treasurers need to have their audits done and submitted to the District Secretary. For a full list of reports due, see the suggested calendar in the District Directory. After all these annual tasks are complete, even years mean Conventions and thus bring more items. Dele-

gates should be elected and reported to me by March 1. Lodges that want to introduce resolutions or bylaw changes at the District Convention should craft the language and have the Lodge approve it before it is submitted to the District Board in March.

I get to publish the District Directory just before I assemble the Convention Delegate lists and the Convention Report Book which gets mailed to those delegates before the Convention. Of course I also have the opportunity to take minutes at the District Lodge Meeting and produce the final Convention report.

I know the Mankato Convention Committee is planning a fun event and the District Board has adopted a suggestion to shorten the event to reduce expenses for delegates. There will be offices to be filled on the District Board. President Tehven, Vice President Brude, Social/Cultural Director Susag, Youth Director Anderson and Zone Director Drivdahl are not eligible for reelection. Others may choose not to run. Think about serving Sons of Norway with a position on the District Board.

District 1 Scholarships to Language & Heritage Camps

Gloria and I visited Skogfjorden in July, and the only thing I can say is that the villagers were having too much fun! What a special time for our youth to learn more about our Norwegian culture and heritage! We were impressed by the enthusiastic leadership of Tove Dahl, Skogfjorden Dean and her staff.

As a result of our visit, District 1 initiated a cultural skills partnership with Skogfjorden. Bob and Dorothy Hoover, Vikingland Lodge 1-496, Detroit Lakes, MN., spent a day volunteering at Skogfjorden, teaching Norwegian dancing. Reports from Tove Dahl applauded their teaching, and District 1 will continue to work with Skogfjorden leadership and our cultural skills presenters to provide a 'value added' to our young villagers. Thank you, Bob and Dorothy! This year District 1 provided 60 Skogfjorden and 10 Masse Moro scholarships of \$85.00 per week.

Fra District Sosial Direktor—David Susag

Summer is over and fall is here. Did you take a trip to Norway? Did you see any folk art when you were there that inspired you? Wouldn't it be fun to learn how to rosemal, woodcarve or do some hardangersøm? Or maybe you took some classes this year and were introduced to some of these folk arts.

If you weren't able to take any classes this summer, it's not too late. Some lodges are already planning Cultural

classes for this fall and winter. If your lodge is interested in offering classes this is a good time of year to start. Simply look at the Cultural Presenters book and have a Cultural Presenter come to your lodge and teach a class.

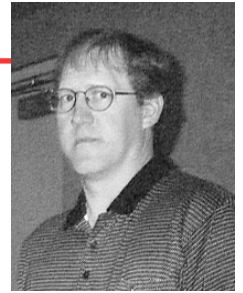

After you have learned your new cultural skill, go home and practice. Then pick out the best folk art that you have made and send it to the 2008 District Convention. The Convention isn't until next June, so that will give you plenty of time to work on your next project.

I will be sending out registration forms for the Folk Art Exhibit this winter. Some of the categories will be Rosemaling, Fiber Arts, Woodworking (with hand tools), Genealogy and Optional Categories which includes Photogra-

phy, Knife Making and Kolrosing.

I look forward to seeing you and your Folk Art at the District Convention in Mankato, MN - June 12 - 14, 2008.

Fra District Kasseereren—Arleen Field

In the past, we had a combined District Financial statement that did not clearly define the restricted and non-restricted funds and also the District General funds. In January of this year, I began to set up a new accounting system that separates the various funds into four separate sets of books. We now have a set for the General Fund, one for the First District Scholarship Trust, one for the Mikal Kartvedt Trust and another for the Villagers Funds that is a holding account for the "moveable" trust fund and Scholarship monies. This new way was in addition to the existing system, in other words, I kept two sets of books. I was able to add additional valuable information to the statements that reflects the monthly income and expenses in addition to the month end balances.

The District Executive Committee, in its June meeting, authorized me to

make this new system permanent. This new system now meets the criteria of a directive that came from the Home office in May in which it states that no restricted Trust fund money shall be co-mingled with General Funds. This change has really simplified the District's bookkeeping. The CPA auditors are very pleased with the changes, and it also will simplify their audit to a great extent.

We are in the midst of our annual workshops that are being conducted now, instead of after the first of next year. This change came about at the request from many in our lodges. This year's emphasis is on membership, recruitment and retention, an important aspect of our fraternal order. Every member needs to be a recruiter by making people aware of our organization. Please remember that if no one knows about us, it's impossible for them to join. I urge that everyone try to attend

one of these workshops - we are all recruiters.

I wish to remind the lodges that all donations to the First District Scholarship Trust should be sent to me, the District Treasurer and not to the Home Office in Minneapolis. The Home Office does not handle any of the District's money. All donations received for the Trust are deposited directly into that Trust's Bank account. Please call me if you have questions.

The District 1 Sons of Norway, Lutfisk Open Golf outing was held July 15, 2007, in Owatonna, MN. Thirty-one golfers participated and over 40 attended the awards program. Thanks goes to Nortonna Lodge 638.

Over 40 golfers registered for the Norsk Open at Blueberry Pines Golf Club in Menahga, MN, hosted by Nordskogen Lodge 626 in Park Rapids, MN. Thanks goes to the lodge members and especially Don and Clarice Schieck.

The "UFF DA" Open scheduled for

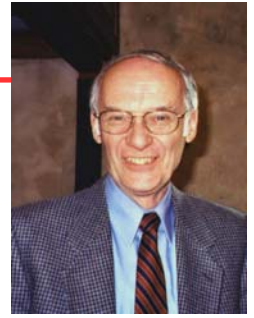

September 17 in Story City, Iowa, was cancelled because of low registration. Thank you goes to Don and Denise Bjel-land for their efforts.

Next year's bowling jamboree is planned for Austin, MN, on May 3, 2008. Former Board Member Ramona Swenson hopes to have it all in place by then.

Vonheim Lodge 108 has two bowling teams that have started League bowling on September 5 and from their scores it appears they didn't practice much during the summer!

Talleiv Vollen of Trollheim 511 in St. Cloud is working with Vennekretsen 559 and Fjell Syn 667 Lodges and they have had a planning meeting on a barnelopet/barnebirkie early in 2008 (when there is snow). Lodge members should consider the Sports Medal Program. The information you need is on the Sons of Norway website. Ha det bra!

This quarter has been an eventful one personally as we continue to unpack from the move to Phoenix, AZ.

I continue to monitor and submit the photos that are going into the Viking Magazine each month. I also have continued to keep the website up for all District 1 members to take advantage of. I hope you are all continuing to view the website for useful information.

As we start up the fall season, please keep me aware of any events you would like me to post on the site. This

is a great way to "market" your lodge.

I also would love to post different types of entertainment that you have in your lodge meetings. Perhaps another lodge would like to use that same entertainment at one of their meetings.

I have a section of "For Sale" items that you might be selling in your lodge and a section for "Recipes" if you want to check it out.

Please, do not forget that I am here to help you publicize your lodge!

Adopt A School Coordinator—Marilyn Syverson

Vakre Vann Lodge 1-619, Madison SD, lodge members were a big hit dressed as three Billy Goats Gruff and a Troll for their May Adopt A School program with the fourth graders. A variety of Norwegian culture was presented to over 75 students. Lodge members showed examples of rosemailing, taught folk dances, and outlined some Norwegian topography and history of Norway. When referring to immigration, students were asked how many had heard of Norwegian Boulevard. Many raised their hands. A sample of Norwegian candy and a Norwegian flag was given to each student. The book "Snow Treasure" was read by teachers to their classes. It is a story of how millions of dollars were saved from the Germans by children carrying gold on their sleds. Thank you letters received from students verified their interest in learning about Norway. Earlier another lodge member had presented a program on Norway, also, to Ramona students.

Snorre Lodge 1-70, Thief River Falls, MN, had a successful Adopt A School program on May 8th. They adopted the St. Bernard's School grades 1-5 in Thief River Falls. Attending were 80 students who listened to ten lodge members give a 45minute presentation. Some of the members wore bunads to show students the traditional dress for different areas in Norway. Students were taught the history of Norway, learned a song, and were taught some Norwegian words. Each student received the "Viking for Kids" magazine to take home.

Now that summer is over and students are back in school, I hope lodges will start planning activities for their members to get involved in Adopt A School programs. When I was reading some of the recent lodge newsletters many have already started to do that.

Please remember to send me a letter and pictures about your activities. Other lodges like ideas of what

they can do to share their Norwegian heritage with students in their area. Thanks.
